Welcome to Acuris

Specialist news and intelligence that creates advantage

In a highly competitive world, how do you find the insights that lead to business opportunity? You need more powerful “senses” than your competitors. This means sharp, analytic, non-linear thinking. Industry-leading expertise. Networks that reach into every corner of the financial markets.

This is the advantage you get with Acuris.

Our insights reveal opportunities that you can act on, driving growth and building your business.

“If you hear it on Acuris, it’s reliable and it will be properly presented – a credible account. It’s the real thing.”

Dominic Graham, Deloitte LLP

High-value insights that drive business growth

We launched our first product, Mergermarket, in 2000 with a simple idea: only specialist expert reporting and analysis will give financial professionals the opportunities they need to grow their businesses.

Today we are a worldwide family of unique brands providing opportunities in six key financial areas: Fixed Income, Transactions, Infrastructure, Compliance, Equities, and Research.

Explore Acuris solutions at [acuris.com](https://www.acuris.com)

Fixed Income	Transactions	Infrastructure	Risk & Compliance	Equities	Research
Power better business decisions with trusted data, news and analysis on the global credit markets.	Find your deal-making advantage in M&A, private equity and venture capital.	Explore opportunity with market-leading news and data across the infrastructure and energy sectors.	Strengthen compliance and manage risk with an in-depth understanding of the people and regulation behind business.	Refine investment decisions, and understand the opportunities in evolving regulation.	Discover the company information, events and thought leadership that make your business smarter.

“Acuris is unique in that they provide a personalized service with a strong element of trust between us and them, almost as if they’re an extension of our business.”

Phil Spencer, UBS Asset Management

The Acuris Portfolio

Fixed Income

The power behind better business decisions
